

expertise in the law. He knows the issues that matter to eastern North Carolinians. I know that his contributions as a Member of Congress will be significant, and we look forward to working with him.

Congratulations to G.K. BUTTERFIELD.

Mr. COBLE. Reclaiming my time, Mr. Speaker, I am pleased to present to my colleagues in the House the newly elected Member from North Carolina's First Congressional District, the Honorable G.K. BUTTERFIELD.

EXPRESSING GRATITUDE AND THANKS FOR THE OPPORTUNITY TO SERVE AS REPRESENTATIVE FOR THE FIRST CONGRESSIONAL DISTRICT OF NORTH CAROLINA

(Mr. BUTTERFIELD asked and was given permission to address the House for 1 minute.)

Mr. BUTTERFIELD. Mr. Speaker, I thank the gentleman from North Carolina (Mr. COBLE), the gentleman from North Carolina (Mr. PRICE) and to the other Members of this august body. It is my honor to join the 108th Congress to represent the citizens of the First District of North Carolina.

It has been a long night. Yesterday was election day in the First District, and I have the privilege of winning both the special election and the Democratic primary. I have traveling with me today many members of my family, friends and supporters. They are seated in the gallery. I would like to take this rare privilege to be able to point to them and to say to them, Thank you, thank you, thank you.

Mr. Speaker, North Carolina's First District is located in the northeastern part of our State. It is a largely rural community that once thrived upon tobacco as its main product. Tobacco farmers in North Carolina are facing a crisis that this Congress is now addressing.

The people of the First District are no different from your constituents. They want our government to work to enable all people to experience the American dream. Therefore, I look forward, Mr. Speaker, and my colleagues, to working with each of you as we serve our respective districts and as we serve America.

Thank you, thank you, thank you.

SUPPORTING GOALS OF NATIONAL MARINA DAY

Mr. LATOURETTE. Mr. Speaker, I move to suspend the rules and agree to the resolution (H. Res. 647) supporting the goals of National Marina Day and urging marinas to continue providing environmentally friendly gateways to boating.

The Clerk read as follows:

H. RES. 647

Whereas the people of the United States highly value their recreational time and their ability to access the waterways of the United States, one of the Nation's greatest natural resources;

Whereas in 1928, the National Association of Engine and Boat Manufacturers first used the word "marina" to describe a recreational boating facility;

Whereas the United States is home to more than 12,000 marinas that contribute substantially to local communities by providing safe and reliable gateways to boating;

Whereas the marinas of the United States serve as stewards of the environment and actively seek to protect the waterways that surround them for the enjoyment of this generation and generations to come;

Whereas the marinas of the United States provide communities and visitors with a place where friends and families, united by a passion for the water, can come together for recreation, rest, and relaxation; and

Whereas the Marina Operators Association of America has designated August 14, 2004 as "National Marina Day" to increase awareness among citizens, policymakers, and elected officials about the many contributions that marinas make to communities: Now, therefore, be it

Resolved, That the House of Representatives—

(1) supports the goals of National Marina Day; and

(2) urges that the marinas of the United States continue to provide environmentally friendly gateways to boating for the people of the United States.
